

Application for Membership

Thank you for your interest in becoming a member of Alabama Breastfeeding Committee (ABC). The information provided here will give you insight in the value of the work of this committee.

Vision, Mission and Purposes

Alabama Breastfeeding Committee's vision is that human milk will be the norm in infant feeding, resulting in a healthier Alabama.

Alabama Breastfeeding Committee's mission is to work toward the development of resources and partnerships that will lead to the effective promotion, protection, and support of breastfeeding within the state.

Alabama Breastfeeding Committee's purposes are to:

- Work collaboratively to increase the initiation, duration, and exclusivity of breastfeeding in Alabama
- Promote public awareness and support for breastfeeding as the cultural norm
- To increase awareness of and compliance with the WHO Code
- Develop networks for sharing information among groups concerned about improving the health of mothers and babies through breastfeeding
- Serve as a resource for healthcare professionals and the general public through dissemination of information and materials on breastfeeding topics
- To encourage the development of satellite breastfeeding taskforces
- Raise charitable funds for the above, and
- To engage in such activities as are consistent with the vision and mission of ABC
