

I'm a
Lamaze
Certified
Childbirth
Educator

Become a Lamaze Certified Childbirth Educator (LCCE)

The LCCE credential assures women & their families that you have reached a standard level of knowledge and skills. Lamaze Certification is achieved by passing the Lamaze International Certification Exam, which is offered twice a year. Attending this seminar is one of the steps in the eligibility process.

To learn more about certification, visit Lamaze International's website at the following:

www.lamazeinternational.org/explorelamaze/certification

This seminar also provides an update, refresher, and contact hours for experienced childbirth educators and/or perinatal nurses.

Seminar Faculty

Renece Waller-Wise

MSN, RNC-OB, CNS, CLC, CNL, LCCE,
FACCE

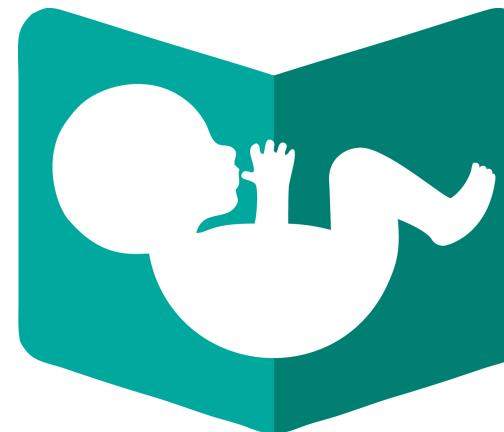

Renece Waller-Wise has been a childbirth educator for more than 30 years. She is a licensed Women's Health Clinical Nurse Specialist, an author, and consultant for issues related to perinatal and women's health.

Mentoring is available via phone or email after the completion of the seminar

- Lamaze International has awarded 20.9 hours of CNE credit for successful completion of this activity.
- Lamaze International is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
- Activity Number SEM 0290-03.
- This activity has been approved by Lamaze International for 20.9 Lamaze Contact Hours.
- This activity is accepted by ICEA for 20.9 Contact Hours.
- Lamaze International is also a provider approved by the California Board of Registered Nursing, Provider Number 15932.

To receive continuing education credit, all sessions, all three days must be attended. No partial credit will be given.

(Registration begins the first day at 8:00 am)**

Location

Seminar will be held on the 2nd floor, Classroom A of the Women's Center.

Southeast Alabama Medical Center
1108 Ross Clark Circle
Dothan, AL 36301

Free parking is available in the West Parking Deck adjacent to the Women's Center. (Bridge to Women's Center is on the 3rd floor.)

Preparing for the Seminar

1. Order and begin reading the Lamaze Learning Guide.
2. View the video "Birth by the Numbers" available on the Lamaze website.
3. Review the 6 Healthy Birth Practices from Lamaze.
4. Review the Lamaze website for other required reading for the certification exam.
5. It is highly recommended that you observe a full Lamaze childbirth education series.
6. It is highly recommended that an LCCE observe the first series that you teach.
7. It is recommended that you review the BOLTs (Brief Online Learning Tutorials) at <http://uthsc.edu/listen/bolts.php>

All participants are expected to be familiar with the anatomy and physiology of pregnancy, birth, and postpartum; medical terms, common procedures and tests during normal pregnancy, birth, and postpartum; and normal newborn appearance and procedures, along with the basics of breastfeeding.
